ON THE IMPLEMENTATION OF SAFETY RECOMMENDATION SR-2020-A-05

With regard to the Safety Recommendation SR2020-A-05, please be informed that the responsible persons in the Personnel Licensing Unit of the Transport Competence Agency, in implementation of the requirements laid down in Parts FCL and ORA of Commission Regulation (EU) No 1178/2011, have instructed the approved training organisations to update their lists of instructors and to provide the information on the specific parts of the training that instructors are allowed to provide. Training organisations are obliged to keep track of the limitations of the instructors on the list and to correct it immediately in case of changes.

As evidence, we attach the updated instructor lists of the four approved training organisations.
