On Safety Recommendation No. SR-2026-A-01 [received by e-mail]

Good afternoon, we are sending you the updated internal procedure PR-OPS-04, which includes a new Chapter 9 and establishes the methodology for calculating the risk assessment of organizations declaring their commercial operations and the number of inspections per supervision cycle. The types of inspections for organizations declaring their commercial operations are specified in Chapter 6. We look forward to your response regarding whether safety recommendation SR-2026-A-01 has been implemented.
